

Product code	Bezel diameter	Cut-out	Depth (without GU10/module)	Finish
NVDLFR70L247	Ø72mm	70mm	42mm	White
NVDLFR70L248	Ø72mm	70mm	42mm	Black

Discover the peak of luxury design with Trimless 72. The plaster-in aesthetic blends seamlessly into your ceiling without sacrificing full fire-rating. The glass lens elevates the design using a steel bezel in your choice of RAL9010 White or RAL9005 Black. Accessorised with a Full-Spectrum Natural Light Prismal Module or GU10 lamp.

Wooden joists, I-joists and metal web.
