

Product code	Bezel diameter	Cut-out	Depth (without GU10/module)	Finish
NVDLFR70L245	Ø72mm	70mm	42mm	White
NVDLFR70L246	Ø72mm	70mm	42mm	Black

Enhanced with tilt functionality, Trimless 72 Tilt further elevates your ceiling line with a seamless plaster-in design that maintains full fire-rating. The glass lens elevates the design, with a steel bezel finished in your choice of RAL9010 White or RAL9005 Black. Accessorised with a Full-Spectrum Natural Light Prismal Module or GU10 lamp.
